Beltrami Humane Society

…IS COMMITTED TO SERVING THE BEST INTEREST OF THE ANIMALS WE STRIVE TO PROTECT.

Ways you can help the Beltrami Humane Society

1. Share Your Love – Tell others about the work of the Beltrami Humane Society. Let them know how important it is to support our organization. Make a presentation at your school or community group about the importance of proper pet care. Ask us to help you with this project.

2. Make Adoption Posters – Take pictures of the animals or download their photos and create posters about them. Post them up at your school or work.

3. "Like" us on Facebook – Like us and share our posts with your friends. Encourage others to "Like" us on Facebook.

4. "Follow" us on Twitter – Follow us on Twitter and comment on our posts.

5. Get Crafty – Make your own dog and cat toys or blankets at home. Braiding simple rags and towels together is a great way to make a chew toy for dogs. Do an online search to find more great craft ideas for pets.

6. Do Some Baking – Bake your own cat and dog treats to donate to the shelter. There are plenty of great recipes out there for which you only need a few ingredients!

7. Fundraising – Organize your own fundraiser for the shelter. Sell lemonade or baked goods, or hold a penny drive at your school. There are lots of ways you can raise money for the pets.

8. Hold a Supply Drive – Ask us what supplies we most need and then organize a supply drive with your friends and neighbors. You could even hold a party and invite your friends to bring pet supplies as a gift.

9. Donate Household Items – Do you have any extra pet supplies, office supplies, towels or blankets that you don't need? Donate them to the Humane Society.

10. Be a Clean Freak – If you are too young to work directly with the animals, you can still help clean around the shelter.

11. Get Creative! – Do you have any good ideas about ways to promote adoptions? Anything you can do to help us get these pets adopted is appreciated.
