

...IS COMMITTED TO SERVING THE BEST INTEREST OF THE ANIMALS WE STRIVE TO PROTECT.

January 5, 2015

Dear Friends and Supporters of the Beltrami Humane Society;

Operating a nonprofit animal shelter is a challenging task; especially when the shelter is almost completely dependent on adoption fees and donations. In 2014, about \$140,000 or 80% of our revenue came from fees for service and individual and business contributions. I think that is truly amazing!

Thank you to everyone who supported the Beltrami Humane Society in some way in 2014. Thank you to our adopters, our volunteers, our donors. Thank you to those who go out and tell people about the work we are doing here. This organization would not exist if not for the support of our community.

I cannot express my gratitude enough for your support, and as we enter this new year, I want to renew my commitment to serving the best interest of the animals. As long as I am the director of this organization I will do everything I can to be a responsible steward over the mission of this organization.

Sincerely;

Brandon Mustful
