## About Great River Rescue

Great River Rescue is a companion animal shelter located in Bemidji, Minnesota committed to providing the highest quality care for shelter pets in the region. For over 40 years Great River Rescue has been a leader in companion animal welfare in our community.

Each year, we save, care for, and find homes for around 400 dogs and cats. Every animal is treated with respect and care, given needed medical treatment, and behavioral enrichment. In 2018, we took in 407 animals, while re-homing 380. We had a live release rate of 99% which is one of the highest in the country!

Great River Rescue also shares its mission and message through educational outreach programs. We give tours to local youth organizations, give presentations at schools and other programs, and hold an annual day camp for youth.

With the generous support of businesses, families and individuals, we continue to have a strong positive impact on Bemidji and the region!

## Event Sponsorship Overview

### Why support Great River Rescue?

Great River Rescue is an independent, non-profit organization. We receive no government funding to do our work. We depend on our community to support us so that we can continue our mission of saving animals, and uniting families. Donations are used locally for animal care and operations of our shelter facility.

As a sponsor of a Great River Rescue event, your company will be recognized front and center as an influential donor. Your business will be aligned with the positive impact that Great River Rescue has in our community. Sponsorship of the Fall Harvest Gala is an opportunity for brand awareness that is cost effective while demonstrating your support of healthy pets, families and community.

### Benefits of Sponsoring the Fall Harvest Gala...

- Demonstrate your company's leadership, engagement, and philanthropy.
- Raise awareness of your position as an advocate for animals.

- Take pride in giving back to the community.

### Event Details
