Theme: SAVE THE DAY – NEUTER AND SPAY! – Great River Rescue is now offering spay/neuter services to community through PetFixers. We want kids from our communities to use their imagination and creativity to share their vision of happy and healthy pets that have been spayed/neutered through art. Ideas should consider the benefits of spaying/neuter your pets such as reducing homeless animal populations, and healthier pets that live longer. Artwork should illustrate the theme SAVE THE DAY – NEUTER AND SPAY!

Prizes: A winner will be selected for each grade. Winners will receive a prize bag, get to choose the name of a Great River Rescue dog or cat, and have their art on display at Headwaters Music & Arts. Winners will also be invited, with their families, to a reception at Headwaters. Honorable Mention Winners will receive certificates and will be invited, along with their families, to the reception.

Instructions: Create your art, following the rules above. Complete the entry form below and attach it to the back of the art. Submit your artwork, with entry donation, in person or by mail to Great River Rescue, 1612 Carr Lake Rd SE, Bemidji MN 56601. Entries will not be returned.
